Invitation

Dear Attendees,

Mind Authors, INC. is proud to announce the International Conference on the **8th Global Conference on Neurology and Brain Disorder** to be held on March 16-17, 2026 (In-Person at Ambassador Hotel Bangkok, Thailand) March 18, 2025 (Virtual Via Zoom Platform) in Bangkok, Thailand.

The **GNBD 2026** invites individuals worldwide to take part in a prestigious conference focused on the theme of “GNBD: Connecting Research, Treatment, and Patient Care.” Its purpose is to promote knowledge affirmation and the exchange of new ideas among professionals such as doctors, professors, scientists, and students in the Neurology field. The event serves as a platform for sharing research experiences, engaging in discussions, and attending sessions on various neurology topics. It also provides companies and institutions with the opportunity to showcase their services, products, innovations, and research findings. If your organization is interested in participating, please express your interest. The conference offers a program tailored to your interests, featuring networking opportunities, cutting-edge presentations, panel discussions, and interactive sessions with speakers from diverse backgrounds. This exciting and informative conference encompasses keynote lectures, oral sessions, symposia, workshops, poster presentations, and various programs designed for participants from around the globe.

Join us at **GNBD 2026** to exchange knowledge with your peers, stay updated on the latest innovations, and enhance your career prospects. We eagerly anticipate your presence in Bangkok, Thailand in 2026.

Best Regards,

Nayantara K.

GNBD 2026

Mind Authors Inc.

About the Event

GNBD 2026 offers a tremendous opportunity to meet and make new contacts in the field of Neurology, by providing collaboration spaces and breakout rooms with tea and lunch for participants between sessions with invaluable networking time for you. It allows participants and delegates to have issues addressed in GNBD 2026, by recognized global experts who are up to date with the latest developments in the field and provide information on GNBD. GNBD 2026 is an International conference that will feature world-renowned keynote speakers, plenary speeches, a young research forum, poster presentations, workshops, and career guidance sessions.

GNBD2026 creates an international forum for Doctors, Professors, Academics, Researchers, Scientists, Health professionals, and medical professionals from all over the world to discuss the latest issues.

The Conference will have an area for firms and/or establishments to gift their services, products, innovations, and analysis results. If your company/organization is inquisitive about taking part in this event, then come and be part of this..

Hope you will take this opportunity to join us and visit the city of Bangkok, Thailand..

Who Should Attend?

8th Global Conferenc on Neurology and Brain Disorder which is scheduled to be held on 16, 17 & 18 March 2026 in Bangkok, Thailand. GNBD 2026 will create a global platform for researchers, scientists, academicians, policymakers, and industry experts to share experiences, discuss research findings, and acquire the desired knowledge in the subject worldwide with many networking opportunities. GNBD 2026 International Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a while during the conference depending on the number and length of the presentations. Its high quality provides exceptional value for students, academics, and industry researchers. Global conference on Neurology and Brain Disorder aims to bring together leading academic scientists, researchers, and research scholars to exchange and share their experiences and research results on all aspects of Neurology and Brain Disorder. It also provides a premier interdisciplinary platform for researchers, practitioners, and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Neurology and Brain Disorder.

Reasons for GNBD 2026

- Up-to-date research, current and emerging Healthcare & Medicine new changes that will be exclusively discussed at the conference. Do not let old and outdated information hold you back!
- Discover how other research can play a key accelerator role in your work and give you a competitive edge in achieving precision in desired results. Discover better ways to innovate, collaborate, work, and report.
- Get inspired by talking face-to-face with thought leaders, subject matter experts, and peers. Tap into their knowledge; discover innovative services that can benefit your research work.
- With participants representing many countries, your ability to engage with global sustainability leaders and your opportunity to see your work from a global perspective will be worth it.
- Each presenter will have some time for a Q&A session after their presentation, where you might receive questions about a challenge in your workflow or are looking for advice on implementing new techniques in your work. Hence, you will get some solutions and tips, which might be helpful for you.
- An idea is usually generated intentionally and created unintentionally. Ideas are often formed during brainstorming sessions or discussions.
- Bring your expertise to the local level and help the community through collaboration and networking. If you would like to speak at the conference, please submit your content ideas and boost your professional status.

About Bangkok

Bangkok, the vibrant capital of Thailand, stands as a dynamic city in the heart of Southeast Asia. Known for its bustling street life, cultural richness, and modern skyline, Bangkok offers a diverse range of experiences for both locals and visitors. From the ornate temples like Wat Pho and the bustling markets of Chatuchak to the thriving nightlife and world-class shopping, the city captivates with its unique blend of tradition and contemporary living.

As a global hub, Bangkok has made significant contributions to commerce, tourism, and cultural exchange. The city's efficient public transportation, including the iconic tuk-tuks and extensive Skytrain network, facilitates easy exploration of its vibrant neighborhoods. Thailand's commitment to tourism is evident in its warm hospitality, delicious street food, and a vibrant arts scene.

Beyond its urban allure, Bangkok boasts natural beauty, with the Chao Phraya River winding through the city and nearby green spaces like Lumpini Park providing a refreshing escape. The city's commitment to innovation is reflected in its modern infrastructure and rapidly growing economy, making it a key player in the region.

In summary, Bangkok's energetic atmosphere, cultural richness, and modern amenities create a captivating tapestry that showcases the city's unique identity as a blend of tradition and progress in the heart of Southeast Asia.

Interesting Facts about Bangkok:

Bangkok, the lively capital city of Thailand, is a vibrant metropolis that captures the imagination with its unique blend of tradition and modernity. Renowned for its bustling street life, ornate temples, and vibrant markets, Bangkok offers a captivating experience for both locals and tourists alike.

Bangkok's street food scene is legendary, offering a tantalizing array of flavors and dishes. From savory pad Thai and aromatic curries to exotic fruits and sweet treats, the city's culinary offerings reflect its rich cultural diversity. The nightlife in Bangkok is dynamic and diverse, with bustling night markets, rooftop bars, and world-renowned clubs. The city's entertainment options cater to a wide range of tastes, making it a hotspot for those seeking lively experiences after dark.

As you explore Bangkok's streets, you'll encounter a fascinating mix of traditional Thai architecture and modern skyscrapers. The contrast between ancient temples and contemporary structures, such as the futuristic Mahanakhon Tower, adds to the city's visual allure.

Why to Sponsor?

Sponsorship powerfully influences audiences more than any other tool. It is a direct cost-effective way to capture your target market. Aside from valuable brand exposure throughout the event campaign and during the event itself, sponsorship is your route to addressing our audience with your knowledge and experience through our unique program of conference and learning sessions.

Our sponsorship packages are customized to our client's specifications. We understand that every business is unique and will work with you to develop a package that meets your business's individual goals and objectives.

Exhibitions allow you to advance all your marketing goals:

- Long term building
- Generating media coverage
- Engage with loyal customers
- Teaching new prospects about offerings
- Promote your services to potential clients
- Teaching new projects about your offerings
- Showcase your products to the event attendees
- Establish partnership with key players in the value chain
- Establish collaborations with other companies and individuals
- Identify prospective clients among conference attendees and organizations they represent
